CONDITIONS

Wightlink uses Flexi-Pricing for its public fares, which means that prices are not static and may increase in line with demand for particular crossings. The sooner a booking is made, the more likely a lower fare will be offered, and prices will generally get higher the closer you get to the sailing date, particularly during busier times. Bookings for this offer must be made and paid in advance. All sailings are subject to availability.

The discount cannot be claimed retrospectively for bookings that have already been made and paid for and cannot be used in conjunction with any other Wightlink Promotional offers.

Depending on the type of ticket purchased cancellation and amendment fees may apply. These will be clearly advised/shown at the time of booking. Please note when planning travel times that we require all customers to be at the port for check-in no later than 30 minutes prior to sailing times.
